SCHEDULE - Q

A). STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

I) BASIS OF PREPARATION OF ACCOUNTS:

The company had been referred to the BIFR for a Rehabilitation Scheme in the year 2005-2006 and accordingly has been restructured and has commenced commercial production in the year 2009-2010. The accounts of the company have been prepared on "Going Concern Basis".

The accounts have been prepared on historical cost basis ignoring changes, if any, in the purchasing power of money and on accounting principles of going concern. All revenues and expenses are accounted on accrual basis. Accounting policies not specifically referred to otherwise are consistent and are in consonance with generally accepted accounting principles.

II) METHOD OF ACCOUNTING:

The accounts of the company have been prepared on accrual basis of accounting except for encashment of leave salary and gratuity, which are accounted for on cash basis. The same is not in consonance with the provisions of AS-15 "Accounting for Retirement Benefits in Financial Statements" issued by the Institute of Chartered Accountants of India.

III) FIXED ASSETS:

- a) Fixed Assets are stated at their historical costs less depreciation and upon provision of Impairment Losses duly recognized as per the provisions of AS28 issued by the Institute of Chartered Accountants of India. Cost of Acquisition or construction is inclusive of taxes and other incidental expenses up to date, the assets are put to use.
- b) Modifications or cost of improvements to the existing Plant & Machinery is capitalized if it increases its useful life as well as capacity of the plant. All other replacement costs are charged to the Profit & Loss Account.

IV) DEPRECIATION

- a) Depreciation on Plant & Machinery, Buildings has been provided on SLM basis for the period of use at the rates prescribed in Schedule XIV to the Companies Act, 1956. Plant & Machinery is treated as a continuous process plant, since the same is required and designed to operate throughout the year.
- b) In the case of other Fixed assets, depreciation is provided on Written Down Value method at the rates prescribed in Schedule XIV to the Companies Act, 1956.

V) INVESTMENTS

Investments which are all long term are stated at costs.

VI) VALUATION OF INVENTORY

- a) The Stocks of Materials, Stores, Spares and Packing Materials are valued at cost based on weighted average method. Stock-in -Process and Finished Goods are valued at cost or net realizable values, whichever is lower.

During the year no production operations have been undertaken by the company. In view of the same, we anticipate a significant reduction in the valuation of the Stocks of Materials, Stores, Spares and Packing Materials of the company as valued by the management due to expiration of its useful life, obsolescence and damages. However the management has not provided for any diminution or devaluation in the values of the same. The above devaluation could not be quantified by us and in our opinion the value of the stock remains overstated and the losses remain equivalently understated as shown in the report due to the same.

VII) RETIREMENT BENEFITS:

The company has various schemes of Retirement Benefits such as Provident Fund, Gratuity, Leave Encashment. The liability for gratuity and Leave Encashment has however not been actuarially determined and the company continues to account for such liability on actual payment basis.

21th Annual Report 2010 - 2011

Any income or expense on account of exchange difference on transaction is recognized in the Profit & Loss Account, except ion the case where they relate to acquisition of Fixed Assets. Premium on forward contract is also accounted for in proportions over the period of contract.

X) EXPENDITURE ON BENEFITS OF ENDURING NATURE

Revenue Expenditure on retrenchment expenses including expenses related thereto whose benefits are to be received in coming years are treated as deferred expenditure and such expenditures are amortized over a period of 5 years.

B). NOTES TO ACCOUNTS

1. Absence of Detailed Books of Accounts and documents prior to January 2008

As at 31st March, 2004, the company's Net Worth was completely eroded and it had become a sick industrial unit within the meaning of clause (o) of sub section (1) of Section 3 of the Sick Industrial Companies (Special Provisions) Act, (SICA) 1985. A reference was made to the Board for Industrial and Financial Reconstruction (BIFR) in 2004 and the company has been declared sick on 23rd December, 2005. A proposal for revival of the company along with the settlement of the dues of the creditors and change in management was duly made to the Board of Industrial & Financial Restructuring. The Honourable bench of BIFR has in its meeting held on 26th March, 2007 sanctioned a Rehabilitation Scheme. The BIFR has issued a final order (SS-07) dated 17th August, 2007.

However the earlier management had withheld the statutory records on the company and refused to hand over the administrative office of the company situated at 7, Nagin Mahal, Churchgate, Mumbai which was the administrative office of the company since 1992 or earlier and existed as the office when the reference was made to the BIFR under Form A. Due to the above circumstances, the records prior to January 2008 could not be acquired by the management and the management remains unable to ascertain whether any valuable assets have been lost by the company exception being the factory premises and the staff colony at Lote, the control and possession thereof being retained by the current management. The Churchgate office premises has been illegally held back by the old managers and the company has sought legal recourse and has made an application to the BIFR for acquiring the rightful possession and claim to the above premises. The appeal hearing remains awaited as on date.

Canara Bank has refuted the jurisdiction of the BIFR and have disputed the awarded rebate in claims as sanctioned by the BIFR in its order dated 17th August 2007. The company has preferred a plea with the High Court of Mumbai for the same and the above disputed amounts have not been considered by the management in the preparation of the accounts..

3. Unsecured Loans

The company has taken External Commercial Borrowings (ECB) of Rs. 18,03,24,250/-. However under the scheme of restructuring as sanctioned by the honourable bench of BIFR, the total outstanding amount of the ECB was revised and a rebate of 95% on the outstandings totaling to Rs. 17,13,08,250/- has been availed by the company thereby reducing the ECB dues to Rs. 90,16,000/-

The ECB Lenders had approached the Appellate Authority for Industrial & Financial Reconstruction (AAIFR) and an order was duly passed by the AAIFR dated 29/04/2008 directing the company to reduce the waiver from 95% to 80% of the outstanding amounts thereby reducing the rebates by and the dues enhancing by Rs. 2,70,48,650/-. The company has preferred an appeal with the High Court against the said order with the contention that the said sums due payable to the ECB to be borne exclusively by the erstwhile management on its own account. The management has not provided for the above reduction in the waivers awarded by the AAIFR in respect of the ECB Dues in the preparation of the Financial Statements and the outstanding in respect of ECB remains understated by the same to the tune of Rs. 270.48 Lacs. In the absence of the relevant supporting documents and evidences, it is not possible for us to verify the said dues payable to the ECB by the company.
